

## Annual report

### Academic Excellence

“Academic achievement is not just about being book-smart ; it’s about being life-smart.”

Good morning to one and all present here. Today, I \_\_\_\_\_ standing in front of all the esteemed guests to apprise you all with the academic achievements of the school in the year 2024-25.

Academic achievements reflect the diligence and skills to perform to the best of one’s ability. The sincere efforts of students in the CBSE Exams brought laurels to the school. Our school topper for the class XII Board Examination are Nidhish with 91% in non-medical stream, Harsimran with 93% in medical stream, Parisha with 93.2% in commerce stream, Suyash with 97% in humanities.

In the Class X CBSE Examination, Chirag Dhiman got first position not only at school level but also at District Level with 99.2%, Pragya Mishra secured second position with 95.%, and Vaibhav stood third with 94.2%. Let’s give a huge round of applause to these achievers.

Our commitment to academic excellence is reflected in the diverse array of academic programs we offer, each tailored to provide students with a rich and transformative learning experience. Some of the programs which we offer are:

- Special Honours Batches for JEE, NEET, and other exams (Grades VI-XII)
- Career Guidance and Counselling starting from Grade VIII
- Benesse

- Burlington English
- Khan Academy
- NSE academy
- Proton Science for kids
- DCM (LEAP)
- School Pad
- Atal Innovation Mission
- Skill Education
- Generation Global
- Minecraft Education
- Splash Learn
- Microsoft

and many more.

All these are included in our curriculum to foster creativity, problem-solving and innovation, to enhance understanding of basic scientific concepts and promoting hands-on experimentation.

Owing to these academic programs, we are able to empower our students to excel , leading to successful admissions into some of the most respected organisations in their fields. We are proud to announce Akshat Aggrawal cracked NEET exam with 680 marks out of 720 and secured admission in Maharani Laxmi Bai Medical College, Jhansi; DAYA has secured admission in B.Sc Statistics in Lady Shree Ram college, Delhi; Goarang Bansal got admission in BDS in Savitha Medical College, Chennai ; Harsimran secured admission in UIET, Kurukshetra.

We are incredibly proud of their achievements.

A thunderous applause, please!

We, at DCMA also facilitate a seamless transition from school to higher education, ensuring our students are well prepared for the academic and professional challenges ahead. For this, we have established strategic partnership with: Thapar University, IIT Ropar, Shoolini University, CT University, Lovely Professional University, KREA University, Alliance Française, IDP-IELTS, University of South Australia, The University of Queensland, Australia, Campus France and so on.

### **Sports achievements:**

“ A strong body makes the mind strong. And a healthy body is a platform for flourishing a healthy mind.”

We take pride in our students' exceptional achievements that extend far beyond the classroom. While our students have consistently demonstrated academic excellence, they have also made a mark in the world of sports. We are proud to recognize our students' exceptional achievements in various sports disciplines. Their dedication, perseverance, and passion have earned them prestigious awards and recognition at the national, state, and district levels. Some of our notable achievements include:

**In Swimming,** Pratha from Class 12 made a splash at the NATIONAL SCHOOL GAMES.

**In Karate,** Our young karate champions excelled at the OPEN NATIONAL tournament:

- Bhavik (Class 2) secured Gold Medal
- Suraj (Class 7) won- Silver Medal
- Davik (Class 6) and Litesh (Class 9) -got Bronze Medals

Shaurya (Class 5) participated in the Haryana School Games and secured a Bronze Medal. Lavanya (Class 8) and Yashika (Class 7) participated in the OPEN DISTRICT TOURNAMENT, winning Bronze and Silver Medals, respectively.

**In Skating** Our tiny tots on wheels achieved remarkable success:

- Tanishq (Class 1) won Gold Medal in the Open State Tournament (Under-8 category)
- Hinaya (Class 1) bagged Bronze Medal in the Open State Tournament (Under-8 category)
- Garvit (Grade 2) got Bronze Medal in the Open Inter-School Skating Tournament

Vansh Sood (Grade 8) won a Silver Medal in the 500m Ring Race and got selected for the Haryana School Games. He also secured a Bronze Medal in the CBSE Zone tournament.

**In Boxing** ,Surya Pratap Rana (Class 12) made us proud by achieving a Gold Medal in the Open National tournament. Manvi and Shruti from grade 11 bagged gold medal in district school games.

**In Gymnastics**, Anmay (Grade 6) won a Gold Medal in the Haryana School State Games.

**In Football**, Raghav (Class 10) and Divanshu (Class 12) participated in the Haryana School State Games.

**In Badminton**, Rubal (Grade 7) won a Gold Medal in the Haryana School State Games.

**In Taekwondo**, Abhishek (Grade 10) won a Gold Medal in the District School Games.

**In yoga**, Chahana (Grade 5), Kuber (Grade 8), and Harshit (Grade 8) won Gold Medals in District School Games

Please join us in giving a THUNDEROUS APPLAUSE to all our talented sports achievers! In the coming session, morning classes will be conducted for the students who want to make their career in sports.

### **Co-scholastic activities**

For the all-round development of the child as per their skills, we nurture it through different activities and competitions.

We are thrilled to announce that our school participated in the prestigious IDEATE Fest 4.0, showcasing six innovative ideas that demonstrated exceptional creativity and problem-solving skills.

Our Notable Achievement is that three of our projects were selected for further prototype presentations:

1. Aquaponics
2. 3D Organ Printer
3. Oxytocin Detection in Fruits and Vegetables

In the second level of the competition, our students Palak Bakshi and Nikhil of Grade 11 secured the 2nd prize for their outstanding Aquaponics project, receiving a cash award of ₹20,000. We extend our heartfelt congratulations to Palak, Nikhil, and all participating students on this remarkable achievement!

**Metaverse 2.0** is a platform where innovators and experts gather to showcase cutting-edge technologies that are transforming our world. In this category we got prizes in 4 events.

In Cyber Speak Challenge: Sifatpreet got 3rd prize at MV-4.

In Bitcoin Summit: Kalpna secured 3rd prize at MV-10.

In AI Future Forum: Palak won 2nd prize at MV-18.

In Stemathon: Dhanvi and Mannat emerged as champions, winning the 1st prize at MV-14.

These events foster innovation, creativity, and collaboration.

**Compudon** is an initiative that equips students with essential 21st-century skills, like Digital Literacy; Cyber Safety; Critical Thinking.

Our 21 students have been selected as India Finalists! Their hard work and dedication have paid off, and they've demonstrated exceptional skills.

## **WIZ-TECH**

Wiztech 2024, an annual Interschool Techno festival, was held on November 29-30, 2024. This event provides a vital platform for students to be digitally updated. In the inter-school Wiztech ,

Simerjeet Singh (IX D) stood - 1st in Flip & Speak

Risha Kalra (VC) and Chahna (VC) stood 1st in - AI Brainbot Battle

Aditya Singh (V D) got 1st Prize in Maze Mystery

Gurinder Singh (IX D) got 2nd Prize in AI Dashboard Masters

Sifatpreet (V B) recieved 3rd Prize in Voices of AI

Mehak Bakshi and Palak Bakshi (XI B) bagged 3rd Prize in Pythoninja

Varnika (III A) stood 4th in Voices of AI

Kunal (VII A) got 4th Prize in Adobe AI Canvas

Ekaksha (VII A) got 4th Prize in Prompt Paradox

### **Microsoft Aspire School Program (MASP) :**

In partnership with Microsoft, DCMA integrates cutting-edge technology solutions aligned with the National ICT Policy .Our teachers are Microsoft Innovative Educator (MIE) Experts, and DCMA has been a Microsoft Showcase School for the past two years. We utilize tools like Sway, Office 365, Kahoot! ,Flipgrid, and OneDrive, and used Microsoft Teams for online classes during the pandemic.

### **Adobe Express**

Our school has been privileged to partner with Adobe Xpress, a leading platform that empowers young minds with creative tools and skills. Through this partnership, each and every student and teacher of our school has been successfully enrolled and provided with free access to Adobe's premium features, enabling them to explore and enhance their digital creativity without any financial constraints. Our students and teachers both, have greatly benefited from this collaboration, enhancing their teaching methodologies and making learning more engaging and interactive.

## IN TEISCON

TEISCON 4.0, a two day spectacular extravaganza was conducted by DCM group of schools on 2-3 august, 2024. Numerous activities were conducted virtually in which students of DCMA participated with enthusiasm and zeal. We secured 10 prizes, 2 students secured first position ,6 students got 2<sup>nd</sup> position and ,4 students got 3<sup>rd</sup> position.

**Atal Tinkering Lab (ATL):** Our award-winning ATL Lab fosters innovation and creativity among students. This session, students participated in different competitions and brought laurels to school. On 25, January 2025, an interschool competition was organized by our school in which six ATL school participated and we got 2nd position. ATL also invites Government school students to provide them technical learning atmosphere in the form of community service.

Preparing children for society readiness is crucial and we at DCMA empower them to become compassionate, responsible, and active contributors to their communities. For this we have taken initiatives like:

1. NCC (National Cadet Corps): The only school in Ambala offering NCC to both girls and boys helping students develop leadership, discipline, and national duty.
2. NSS (National Service Scheme): It Fosters community service, social responsibility, and empathy. In this session, three camps have been organized in school in which all the NSS volunteers participated in numerous activities such as cleanliness drive, slogan writing, planting saplings, poster making etc.

3. Community Outreach Programs, including Anna daan ( food donation)Vidya Daan (education support), Shram Daan (labour donation) and project Prayaas, Encourage children to foster empathy and compassion to make a positive impact in their community.

4. NGO Collaborations: Partnering with organizations like Robinhood army ,IDRISH foundation, Red Cross Society, Drops of Change, and Bharat vikas parishad provide opportunities to our students to work with organizations focused on social causes, promoting social awareness and activism.

All of these programs help Children to develop the sense of responsibility and be empathetic towards others.

### **Skill based education**

The New Education Policy (NEP) emphasizes skill-based learning, which focuses on developing specific skills and competencies in students.

Some of the skill-based courses offered at our schoolare:

1. Financial Literacy Program for classes 6-10
2. Financial Marketing Management
3. Bio Technology
4. Fine Arts
5. Artificial Intelligence
6. information Practices for classes 11- 12.

These Skill-based learning enhance employability by providing students with industry-specific skills. These skills also prepare students

for lifelong learning, enabling them to adapt to changing industry requirements.

For holistic development, it's essential to focus not only on acquiring knowledge but also on its practical applications. At DCMA, we have vibrant clubs and societies such as the Photography Club, Kathashala Club, and Eureka Club. These clubs offer students opportunities to explore interests in areas like environmental protection, filmmaking, photography, painting, stage performance, reading, and storytelling, fostering diverse skills and passions.

To promote teamwork and unity, develop leadership skills, encourage healthy competition and build school spirit, We have four houses, School council and class council which help to enhance students' confidence and self esteem.

In DCMA, we prioritize teachers' training and development to ensure that our educators are equipped with the latest knowledge and skills. Many CBSE workshops have been conducted this session so that our teachers would stay updated on the emerging technologies and CBSE and NEP guidelines. Our respected CEO sir recognizes the importance of competent and confident teachers. And under his guidance, teachers participated in numerous online and offline training programs.

In the upcoming session, school has planned a number of initiatives to promote, appreciate, inspire and motivate the children and women for their extra ordinary contribution towards the society. We have already launched Young Achievers' award, WOW (Wonderful outstanding women ) awards.

CONCLUSION Our aim is to be one of the leading schools in the community it serves, known and widely acknowledged as a secular institution which develops character and ethical leadership in its students in their pursuit of excellence. We hope our school will be recognized as a model for excellence in academics, art and culture and sports. Each student will demonstrate a spirit of respect, responsibility and a commitment to academic and civic excellence.
